General Andrew J. Goodpaster, U.S. Army (ret.)

Dear General Goodpaster:

I am currently at work on a monograph for the Central Intelligence Agency's History Staff on the topic of overhead reconnaissance. It is apparent from my studies thus far, especially from the observations made in books by James Killian and George Kistiakowsky, that you were an active participant or observer in many of the major decisions in this area.

It would be immensely helpful to me if you could find time to answer some of the many questions that have arisen in my research.

If you have a spare hour or two, I would appreciate any assistance you could provide. You can contact me by writing to the address below, or by calling me at [redacted] during the hours of 0930 to 1700, Monday through Friday.

Sincerely yours,

/s/
